

Whether you're mixing beats or listening to your favorite tunes on the subway, the PHOENIX has you covered. Compact yet incredibly powerful, this mid-sized headphone delivers massive sound typically only found in larger DJ headphones. The PHOENIX incorporates a fresh mix of proprietary materials and finishes with a reinforced frame, fully-adjustable headband, plush ear cushions, swivel ear cups, and high-quality speakers for a superior listening experience.

## FEATURES

- Engineered to deliver the highest quality listening experience from your Apple iPod®, iPhone®, BlackBerry®, or other mp3 player, cell phone or music device.
- Swivel ear cup for single-sided monitoring and beat-matching.
- Slim profile in-line microphone for use with iPhone®, BlackBerry® and other cell phones.
- Thin cable to decrease bulk, weight and downward pull on headphone.
- Includes Skype® adaptor for VoIP calls on your PC.
- 6.3mm (1/4") adaptor for use with professional audio devices.
