SS TRAKTOR KONTROL S2

2.1-CHANNEL DJ SYSTEM

DEFINING DJ STANDARDS

TRAKTOR KONTROL S2 offers everything the modern DJ needs in a compact and easy to use format. Built from the same components as TRAKTOR KONTROL S4, it has serious professional credentials. Compared to other DJ controllers, the S2 offers:

- Innovative 2.1-design features additional channel to mix in TRAKTOR's Sample Decks
- Flagship software the only controller of its size with a full version of TRAKTOR PRO 2 included
- Seamless integration custom-tailored hardware and software created by the same team

KEY FEATURES

- ▶ 2.1-channel performance DJ system with Sample Decks
- ▶ Ergonomic mixer section and 3-band EQ for full sonic control
- Four dedicated hot-cue buttons for remixes on the fly, switchable to Sample Deck trigger buttons
- ► High-resolution, pressure-sensitive jog wheels for precise track control
- ► Two advanced FX units for controlling all of TRAKTOR's 30+ pro effects
- ▶ Built-in DJ audio interface with studio-quality credentials for punchy sound
- ▶ Powerful MP3 handling with iTunes[®] integration and iPod[®] compatibility
- ▶ Two stereo outputs for master and monitor stereo ¼" TRS balanced for PA
- Microphone input with gain control and mute button
