4-CHANNEL TRAKTOR CONTROLLER

MIX ANYTHING. TWEAK EVERYTHING.

Four decks of software control, a four-channel mixer and total command over all effects: Meet 4TRAK, the ultimate controller for TRAKTOR DJ software. 4TRAK lays out a vast assembly of tactile controls in front of you, putting a playground of capability at your fingertips. Mix anything: 4TRAK's built-in four-channel mixer allows you to bring turntables, microphones, MP3 players and more into the mix. Tweak everything: High-resolution platters, exclusive Strip Search needle-drop technology and an expansive 12-knob FX KOMMAND CONSOLE give you more precise control over TRAKTOR than ever before.
