

iDJ PRO

PREMIUM DJ CONTROLLER for iPad

PARTY WITH THE POWER OF iPad

iDJ Pro is a professional DJ controller that expands your iPad's touch interface to give you an all-new mixing experience. Along with its sleek, brushed aluminum casing, iDJ Pro is equipped with all the premium components you'd expect from a Numark controller, plus some features that will inspire brand-new surges of creativity.

Thanks to your iPad's wireless capability, you'll have access to virtually any song instantly. iDJ Pro will empower you with access to the cloud, allowing you to download tracks and have them pumping in seconds.
