

## 6982P 800W G9.5 240V 1CT

Productfamilie omschrijving  
Quartz halogen lamps with a compact  
biplane filament design which comes closer  
to the ideal point source  
P3 technology

### Product Features

- Reduced energy consumption allows more luminaires to be operated on each dimmer
- P3 technology for Reliability, Quality and Freedom:
- Reliability - longer lifetime with fewer early failures
- Quality - excellent storage characteristics and consistent performance over time
- Freedom - in both luminaire design and burning position

### Product Benefits

- Increased shock-resistance through improved construction of filament support
- Combination of innovative luminaire reflector design and the Philips Compact Source lamps produces greater efficiency of the total optical system

### Application

- Studio, stage and entertainment lighting

### Luminaires

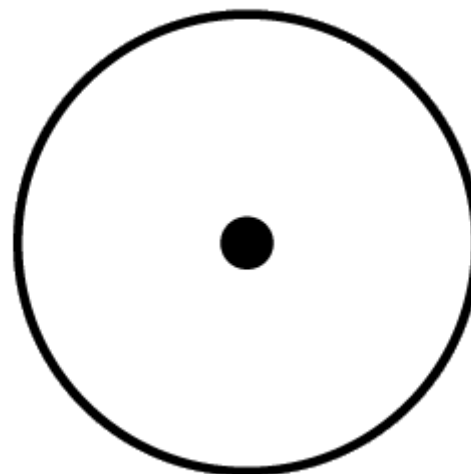

- These lamps are the ideal solution for the latest generation of high-performance luminaires

Bestelcode	519375 25
EOC productcode	871150051937525
Productnaam	6982P 800W G9.5 240V 1CT
Bestel productnaam	6982P 800W G9.5 240V 1CT/10
Soort verpakking	1 Carton
Aantal per verpakking	1
Verpakkings aantal	10
Verpakkingen per buitendoos	10
Barcode op product	8711500519375
Barcode op tussenverpakking - EAN2	
Barcode op buitendoos	8711500521613

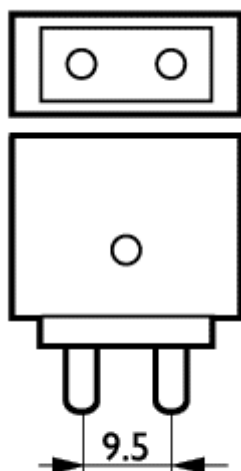

Productgegevens	
Logistieke code(s)	9245 456 45528
ILCOS code	
Netto gewicht per stuk	25.000 GR
Opvolger	
Philips code	6982P
ANSI code	-
Systeemomschrijving	-
Lampvoet	G9.5
Lamp afwerking	Helder
Filament vorm	Dubbel filament
Brandstand	any
Applicatiegebied	Entertainment
Levensduur tot 50% uitval	200 hr
Nominaal lampvermogen	800W
Spanning	240V
Snel reagerende HBC Zekering	6.3 V
Kleurweergave index	100 Ra8
Lichtstroom lamp	20000 Lm
Filament afmetingen (WxH)	9.0x13.0
