

The Original Combination of Sound & Style adidas Originals presents premium DJ headphones by Sennheiser

As a special offer for the music fans all around the globe, adidas Originals expands its diverse streetwear product portfolio by launching premium DJ headphones in collaboration with Sennheiser. Building on the successful "Sennheiser HD 25-1-II" headphone model, the adidas version comes in the unique Originals look. Hitting more and more Originals stores worldwide, the limited Originals DJ headphones by Sennheiser embrace the values of both companies by fusing quality in design and functionality.

The Trefoil brand, which has been linked to the music scene for a long time and is connected uniquely to the beginnings of Hip Hop in the 1980s, now proudly underlines its music affinity with the "Sennheiser HD 25-1-II". Belonging to the professional equipment for recording and DJ-ing, Sennheiser's "HD 25-1-II" has been one of the most successful monitoring headphones for more than 20 years. Now, it has been given a design makeover by adidas Originals including its iconic 3-Stripes as well as the brand's renowned blue colour identity. These headphones handle a high sound pressure level, with crystal clear highs and crisp basses. Along with the adidas Originals design, these headphones ensure a true Sennheiser sound experience.

The "adidas Originals HD 25-1-II headphones by Sennheiser" are available at adidas Originals Stores worldwide as well as the adidas e-commerce site www.shop.adidas.com. The suggested retail price for this exclusive premium product is 250, - EUR.
