

# SYNQ Slipmats

## :: Product Description

---

- \* A pair of superior quality slipmats designed not to burn out from regular use.
- \* They're around 2mm thick, made from white felt material giving it a surprisingly soft touch.
- \* We use a high tech printing process that makes the image look and feel a part of the Slipmat creating a vibrant, smooth image that will not fade, flake, or damage your record.
