UDG®

creator[®] series

UDGCASE.COM

The **UDG Creator Laptop Shields** are the ideal travel sleeve for the laptop road warrior. The compact, durable foam molded sleeve is constructed of Ballistic Nylon with a non-scratch interior lining to protect your valuable laptop. UDG Laptop Shields are designed to be used as additional protection inside our other bags such as the Creator Backpack or the Messenger bag, or can be used on their own for laptops on the go. The cover can be fully opened and there is the additional elastic velcro strap to secure your laptop in place. The easy grip zipper pulls make this sleeve a must-have for all laptops users.
