

# SERATO RECORD SLEEVE

# UDG<sup>®</sup>

Officially Licensed Product  
**SCRATCH  
LIVE**

So many DJs around the world rely on Serato Scratch Live for their music. The Scratch Live Control Records need to be protected in transit to ensure a flawless live performance.

So UDG, always thinking about DJs, offer the new Creator Serato Record Sleeve for ultimate protection of your precious control records.

Constructed from heavy duty, inflexible durashock nylon, in the legendary UDG premium quality, the UDG Creator Record Sleeve will hold up to 8 Scratch Live control records, and slip easily into a UDG Creator Backpack, record bag or trolley. With the stylish Scratch Live logo on the cover, you will never have trouble finding your control records again, and you will be 100% certain they are well protected and in perfect condition.

The UDG Creator Serato Record Sleeve is a must have, for any DJ who travels and works with Scratch Live. Don't risk turning up to a gig, only to find your control records are damaged. Invest in a mini insurance policy! Buy the Creator Serato Record Sleeve today.
